What Is Back Of This Sale Offering

The sponsors of this sale are Ontario breeders who have been buying the top Shorthorns at the leading Canadian sales and some of the most prominent United States auctions. Their herds are now in full production and this sale was conceived to give them an outlet for their productions and an opportunity to show to the public what can be accomplished by breeding the best females in America to the best bulls that have been offered for sale in recent years.

If there had been better Shorthorns offered for sale than the ones that make up the herds of these breeders, they would be in those herds.

This is the sale catalogue. The pedigrees and many pictures of the animals and their sires are before you. There is not space here to go into long discussion of the pedigrees. However permit this one observation to show the kind of breeding back of these Shorthorns. Of the fifteen bulls that are to be sold, twelve are closely descended from what for years was America's greatest sire, Collynie Royal Barrage (Imp.). Of the fifty-one females, thirty-seven are equally closely descended from this great bull. Among both bulls and females you will find many that are line bred in this great improving strain.

Nine out of every ten of these cattle would be among the tops of the strongest sale offerings in America. The others are fine specimens of the breed, capable of improving America's herds. All but a few fine imported females were bred in the herds from which they were drafted for this sale.

The owners of these choice young cattle are among Ontario's most substantial and reliable citizens and breeders. You can buy at this sale with full confidence that the cattle are as represented and that if there be some unforeseen flaw in any animal, a quick and a just settlement will be made and the buyer will receive satisfaction.

WILL JOHNSON, *Sale Manager*,
Aurora, Illinois.

COLLYNIE ROYAL BARRAGE (Imp.) =215802= For eleven years Canada's greatest sire and for most of that time recognized as the greatest sire in North America. Year after year his get have topped North American sales and in the herds of buyers have sired or produced sale toppers throughout the United States and Canada.

In this sale there are 49 bulls and females that are closely descended from this great sire.

General Information

TIME—Wednesday, February 14, 1945, at 12:30 P.M. This is the day following the annual meeting of the Canadian Shorthorn Association at the Royal York Hotel, Toronto.

LOCATION—The sale will be held at the farm of P. F. Law, Weston, Ontario, on Highway No. 27 just fifteen minutes from the heart of Toronto.

SALE HEADQUARTERS—The headquarters for the sale will be a room at the Royal York Hotel. The room will be held in the name of S. G. Bennett and inquiry at the desk or from any of the consignors or sale officials will elicit information as to the number of the room. Transportation from the hotel to the Law farm will be furnished for all who desire to attend the sale.

MEALS AND ACCOMMODATIONS—A heated pavilion has been provided in which to hold the sale and a meal will be served to visitors to the farm immediately preceding the opening of the sale.

INVITATION—The members of the sale committee, the breeders whose cattle have been drawn for this sale and the sale officials invite all persons who are interested in the improvement of the livestock of Canada and the U.S. and any other visitors who may be in Canada at the time of the sale, to attend this auction. These cattle have been selected as an exhibit of the best products of the herds from which they have come. For most of those who are selling it is the first cattle that they have offered for sale by auction. No cattle have been selected for this sale to cull the herds of their owners, but every one is here because it is far better than the average Shorthorn. In fact, this is strictly a sale of cattle of the highest quality, the best type and the most impressive character.

For the owners,

WILL JOHNSON, Sale Manager.

KLAYMOR FREEBOOTER =256205=

Klaymor Freebooter won the senior and grand championships at the very strong Regional Shorthorn Show at Lindsay, Ontario, this Fall. His get won several firsts and seconds in the strongest classes of the show. He is a grand, thick, blocky fellow with a great Shorthorn head. As a sire, he excels. There are few his equal. He is the sire of the bulls that are Lots 1 and 2 in this catalogue and of the heifers that are Lots 33, 34, 35, 36, 37, 38 and 39. Everyone is an outstanding specimen of the breed.

Elbrlaw Sensation is one of the most promising herd bull prospects that will be sold in America this year. He has the ruggedness and character to make him an impressive sire and he is backed up by a pedigree that, alone, would put him in the front rank of prospective herd bulls. His sire, Klaymor Freebooter, is the great bull pictured on the opposite page herewith. His dam's sire was twice grand champion at Canada's greatest show. His grandsire was one of the best Collynie bulls imported to America in recent years. This bull has already won first prize at two of Ontario's greatest shows. No one will regret buying and using this bull.

ELBRLAW AJAX =272500=

Elbrawl Ajax is a young calf of ideal conformation and character. It will be noted that he descends from the famous Collynie Royal Barrage through both sire and dam and it will pay to buy this outstanding prospect and to hold him over and grow him out for a sire to use next summer. We cannot recommend this calf too highly as we realize that all he needs is a little time to make one of the great bulls of the country.

Scotsdale Typhoon not only is one of the most attractive individuals that was produced anywhere in 1944 but he has a pedigree that assures that he will sire calves that are as good as himself. His sire, Klaymor Escort by Collynie Royal Barrage, was the top selling bull in the W. J. Russell Sale in 1941 and was picked by the experts as the best herd bull prospect of any in that sale. His dam, by the noted Larbert Templar (Imp.), was reserve champion at the last International Exposition and his granddam is by Collynie

Victor Royal, an imported bull that is by the same sire as Collynie Royal Barrage. For a combination of good individuality and the best of breeding it would be impossible to beat Scotsdale Typhoon.

His dam, it will be seen, was by the twice Canadian National grand champion Rigfoot Sensation and every bull in the pedigree of Greenefarm Airman was a top in his day and generation. Oakfield Advocate is a rich, dark red, October calf and is perhaps the best herd bull prospect to be offered this year. Along with his extremely impressive head go a thick, compact body, unusual fleshing ability, short legs and good bone. He is sired by Loyal Sensation, noted dark red son of the great Rigfoot Sensation. His dam, one of the top producing cows in our herd, is sired by Golden Member, great breeding son of the great breeding bull Browndale Member by Browndale. His granddam is by Thornham Minstrel, International champion at Chicago and son of the first Perth champion, Millhills Comet, ever to come to America. A concentration of the blood of such three noted bulls, Rosehaugh Mandarin, Browndale and Millhills Comet will no doubt assure Oakfield Advocate as being a very prepotent sire.

No bull of recent years has a higher rating as a sire in Scotland and the Argentine than Aldie Conqueror. After the dispersal of the Collynie herd the noted breeder James Durno of Uppermill, Scotland bought Aldie Conqueror at 11 years old for 700 guineas (approximately \$2940). This grand sire has sired many noted bulls including the 4000 guinea Uppermill

Shorewood Clipper is as pleasing a heifer as has been offered in any sale anywhere within the past 12 months. She is a double granddaughter of the noted imported sire, Larbert Templar, the calves of which have brought high prices in the annual October sales and his granddam is by the Scottish Highland and Canadian Royal grandchampion Brawith Boy. Here is a pedigree that will appeal to all who know the best of Canadian Shorthorns and it will look particularly attractive in the new U.S.A. form. Klaymor Escort, by Collynie Royal Barrage (Imp.) and out of an imported daughter of the Perth, the Highland and the Royal first prize winner, Calrossie Grand National, was the top selling bull in the W. J. Russell Sale in 1941 and was picked by the experts as the best herd bull prospect of any in that sale. His granddam was by the Perth supreme champion Coldoch Union Jack and from the three top bulls in his pedigree and other noted sires farther down he inherited the ability to sire calves second to none. Scotsdale Pauline 3rd—Another red heifer by a red sire, Klaymor Escort, and out of a red imported-in-dam cow by Lawton President Roosevelt. A three-quarter brother sold at Perth in 1943 for 2000 guineas. This Pauline family of Calrossie are good milkers. The imported granddam by Calrossie Randolph is a half sister to the Perth champion Calrossie Prince Peter, and is a short-bodied, low-set cow with an exceptional spring of rib. All her three calves are red. This is a pedigree that is most desirable and the heifer is as good as her breeding.

Oakfield Beauty is a real show heifer in every respect. One cannot praise this heifer too highly both from the standpoint of an individual or from her rich Cluny Beauty pedigree. It will be remembered that Murphy Bros. bought only the tops to establish and maintain their great herd at Oakfield. The dam of this heifer you will note is by a son of the great Rosehaugh Mandarin and she is easily one of the top matrons in their great herd. Any knowing breeder will admire this Cluny Beauty pedigree as none better can be written. Note the concentration of Rosehaugh Mandarin blood in the two top sires.

NONPAREIL 35th =332840=

Nonpareil 35th is one of the real attractions of the sale. She was sired by Klaymor Favorite, the top selling bull of the Ontario sales in October, 1942, a son of the noted Collynie Royal Barrage (Imp.). Her dam is a daughter of the twice Canadian National Exposition grand champion Rigfoot Sensation and her pedigree throughout is most attractive. This beautiful dark red heifer is safely with calf to the service of the 1943 International Congress grand champion Roman Edellyn Mercury. There should be a grand calf from this service.

Klaymor Favorite =256200= was the top bull of all Canadian sales in 1942. He was a son of the famous Collynie Royal Barrage (Imp.) and his dam, Balthayock Princess Royal 23rd (Imp.), is a famous red cow that has in her pedigree two crosses of the great sire Naemoor Jasper toward the top. In the sale at Glenburn Farms last Fall the heifers by this sire made higher averages than did the daughters of any other Canadian bull of the year and his bull calves sold right at the top also. It is doubtful if there is a better sire in Canada today. He is the sire of Lots 7 and 27 in this catalogue.

KLAYMOR FAVORITE =256200=

O.A.C. Ransom 21st =239523= by O.A.C. Ransom 2nd by the famous Perth champion Millhills Ransom out of Coagh Augusta 5th (Imp.). His calves are all red and all good ones. About a dozen of his calves were sold in the October sales in Ontario in 1943 and made the top average for females in those sales, one of them, Princess Royal 107th, bringing \$3,000. You cannot do better than by putting a son or daughters of this grand young sire into your herd. In this catalogue Lots 6, 28 and 29 are his get.

O.A.C. RANSOM 21st =239523=

Rosewood 139th is one of the best heifers by that outstanding sire of females, O.A.C. Ransom 21st, the picture of which appears on the preceding page. It will be noted that her dam was sired by the twice C.N.E. grand champion Rigfoot Sensation, that her grand-dam was by the excellent imported bull Clipper King, and that the next bull in the pedigree was the International senior champion Thornham Minstrel. This is indeed a lovely heifer and it required considerable argument on the part of the sale manager to induce the owner to put her into this sale or to let her go at all.

Princess Royal 33rd is a heifer that will match up with the best that have been sired by O.A.C. Ransom 21st. even including the \$3,000 Princess 107th. She has character, quality and type to spare and with a little fitting can be a winner in the summer yearling class this year. A family founded upon a female of the type and character of Princess Royal 33rd will be a profitable addition to any herd. A study of her pedigree reveals that she is closely descended from many of the breed's best.

Fairacres Eliza 2nd is a most pleasing roan heifer with depth of body and smoothness of flesh and a lovely feminine head. Her dam is a fine looking cow and a splendid breeder. The granddam Imp. Eliza Dignity and her daughters are producing outstanding show and highest selling animals for James Douglas & Sons. The sire of this good heifer is a top son of Klaymor Cap-A-Pie, he by Collynie Royal Barrage. His dam was top selling female for Beath Farms and was bought by Marellbar Farms. This entry is a good kind to have in a herd.

Klaymor Centurion is one of the most noted sons of the famous Collynie Royal Barrage (Imp.). His dam, Calrossie Lady Pauline (Imp.), is one of the outstanding cows in the famous Klaymor herd. Sons and daughters of this bull are now widely scattered throughout the U.S. and Canada and always with great profit to those who have bought them. He is a red bull, practically all of the calves of which are of good red color.

She is sired by that potent breeder Klaymor Centurion, he by the renowned Collynie Royal Barrage. The granddams on both sides of this heifer's family have always produced offspring that either topped their owner's sales or sold over the thousand dollar mark. For type and quality this heifer is desirable for the very best herds.

Elbrawl Rosewood 2nd is less than a year of age but her type and quality, as well as her pleasing countenance, justified the belief that she will be one of the great females of the next succeeding years. MERRY BROOK FAIR CLIPPER =326879=

Merry Brook Fair Clipper is one of the sweetest calves that has been offered for sale in many months. She comes from that famous family of Zoe Clippers and her sire and her dam's sire are sons of the two bulls that have done most to make Klaymor Farms famous. She would make a good show heifer in the two year old class next summer and she is just at the right age to be bred to some good bull at this time.

Norfolk Maudess 5th not only is one of the sweetest heifers in the sale but she has a pedigree that most breeders would give a great deal to possess. Her sire, Klaymor Field Marshal, was one of the good productions of the noted W. J. Russell herd and her imported dam, Maudess, is by the great Rosehaugh Mandarin that sired so many famous cattle including Collynie Royal Barrage (Imp.), so there is a concentration of the blood of that great sire in this pedigree, and the third bull, Collynie Silver Mine, is by the sire of the world-famous Collynie Royal Leader. You cannot do better than to put this heifer in your herd.

Klaymor Fingerprint =255450= has been called repeatedly the greatest son of the famed Collynie Royal Barrage (Imp.). He is a young bull and yet every one of his calves have been of such outstanding merit that he is known already as a most impressive sire. Incidentally, he is a full brother of Klaymor Footprint, Marellbar Farms' famous sire, the first 17 sons and daughters of which sold by auction averaging more than \$2,000 per head. Klaymor Fingerprint has two daughters in this sale, Lots 45 and 55. Do not overlook these grand heifers.

Sandoon Goldie is one of the very few daughters of the outstanding young bull Klaymor Fingerprint ever offered for sale. Look down her pedigrees and notice the great bulls all the way through and then come and see this heifer and you will realize why Klaymor Fingerprint has such a good reputation as a sire.

CALROSSIE SOUVENIR (303645)

Calrossie Souvenir is one of the very few Perth grand champion bulls still remaining in Scotland. For most of them such high prices were paid by North and South American buyers that they have left the country of their nativity. Calrossie Souvenir was sired by another Perth grand champion, the famous Edellyn bull, Calrossie Mercury, and his sire was the Perth grand champion Calrossie Control by Collynie Royal Leader. A calf by this sire would attract widespread attention in any herd and below is an opportunity to buy a daughter of this famous bull.

She is particularly desirable from the fact that she carries the service of Uppermill Royal (Imp.) =269734= since November 25. Uppermill Royal was the top bull of last year's Perth Show and Sale and is now in service at the Ontario Agricultural College. This should be one of the extreme top heifers of this sale. Rosewood 105th is as good a heifer as was produced in the Bill Kay's Stonehaven herd in 1944. Note that she combines in her three top crosses the blood of the famous sires Larbert Templar (Imp.), Collynie Victor Royal (Imp.) by Rosehaugh Mandarin, and Thornham Minstrel, the International senior champion by the \$36,000 Millhills Comet. Here is a Rosewood pedigree that shows the influence of great sires.

Klaymor Educator is a son of the great Collynie Royal Barrage (Imp.) and is out of that splendid producing cow Cluny Hilda Clipper 12th (Imp.) by Calrossie Command. His dam's dam was by the Perth champion Calrossie Scout Leader. Cluny Hilda Clipper 12th was the pick of the Cluny heifers in 1938 and her sister won first prize at the Scottish Royal Northern Show that year.

Briardale Lady Violet is a very sweet headed heifer with type and quality to spare. Fingerprint's Madge is one to be marked in your book as a great buy. There are just two daughters of Klaymor Fingerprint in this sale and very few of his daughters will ever be offered for sale. Furthermore, through the two top sires this heifer has two crosses of Collynie Royal Barrage in her pedigree and just a little way down you find two crosses of the \$36,000 Millhills Comet. This is a grand foundation female.
